

6 SIMPLE STEPS TO SETUP YOUR ACCOUNT

1

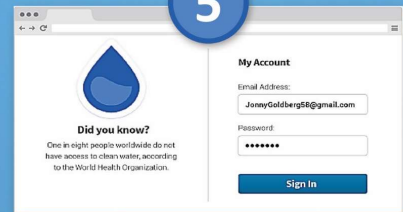

Visit <https://eyeonwater.com> and click Create Account to create your online account. You'll need to enter your service zip code and your 10-digit utility billing account number. Ex. 53208-XXXXX

3

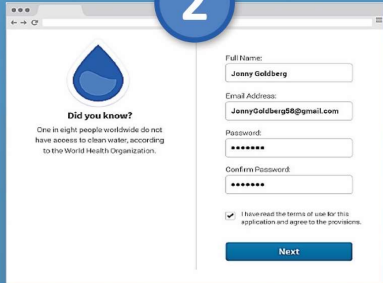

Check your email for the verification message that has just been sent.

5

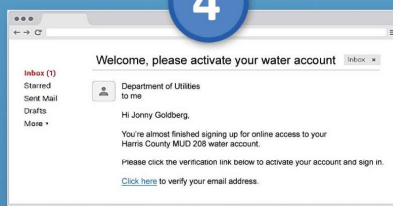

After clicking the link in your email, enter your email address and password to sign in.

2

Enter your name, email & create a password.

4

Click on the link in the email to verify your email address.

6

Once you've logged in, you'll be able to view your water consumption, set leak notifications, and view information regarding your meter.

As part of our ongoing efforts to improve services to our customers, we are now offering you direct and secure access to your water usage data.

The MUD 208 EyeOnWater suite of available tools includes a secure online website to review and analyze your usage patterns.

A consumer smartphone app will be made available after the initial online sign-up.
